

# MEGA MAN X™

The future has arrived!

Near the end of his life, Dr. Light succeeds in creating the first of a new series of robots which will change the world. Able to think and make decisions, this new robot holds great danger as well as great possibilities. Fearful of the possible consequences of unleashing his creation on the world, Dr. Light decides to seal him in a capsule and test his systems until they are totally reliable. The future will have to decide his fate ....

Released from the capsule by Dr. Cain, "X" is born into the world of the future when the robot to implement Dr. Light's designs into a new series of Reploids, something goes hideously wrong. Now the future lies on the brink of destruction and a new Mega Man must emerge to face Sigma and his forces before the human race is wiped from the planet!
